*Laramie County Community College – No Updates

*Northwest Community College (Sheridan College)

Sheridan College has the following NEW programs:

Culinary Arts program now offers an Associate of Applied Science Degree

Construction Technology program now offers an Associate of Applied Science Degree

Music Technology program now offers a Certificate of Completion

Changes to our scholarship programs:

Students will now be able to apply for scholarships on line through a new software program called STARZ. The program will identify scholarships where the student has met the minimum qualifications and it will give the student immediate feedback that their application was received and the number of scholarships which they have met.

The number of scholarships available for 2009-2010 will be down from last year. The reason is due to the recession and the returns we receive on our investments. However, we encourage all student s to apply for the scholarships that are available.

Questions about our scholarships can be directed to:

Carol Minick

cminick@sheridan.edu

307-674-6446 ext 2102

Or you may contact

Randy Thompson
